Benefits:

1

Geo-tagged Attendance

ensures that employees can only clock in and out from specified locations, reducing the chances of proxy attendance and ensuring accurate tracking of employee hours.

2

Enhanced Efficiency

Automating attendance management processes saves time and reduces manual errors, allowing HR personnel to focus on more strategic tasks.

3

Enhanced Employee Experience

Improved the employee experience by providing self-service options for tasks like updating personal information, accessing pay stubs, and requesting time off, increasing satisfaction and engagement.
