Easy to use  
Masters

Payroll  
Management

Employee Asset  
Management

## Client Feedback:

"247HRM is very easy to use. The admin portal and the employee portal are very easy to use. Any one can navigate without much training. To be precise, 247HRM is intuitive and saves lots of time.

## Benefits:

1

### HRIS:

Centralizes all HR data, making it easier to access, update, and analyze

2

### Payroll and Attendance Management:

Processes saves time and reduces manual errors, allowing HR personnel to focus on more strategic tasks.

3

### Geo-tagged Attendance:

Ensures that employees can only clock in and out from specified locations, reducing the chances of proxy attendance and ensuring accurate tracking of employee hours.
