- To improve work planning with organised leave management system

## Solution:

All HR Ops including - Attendance Management, Leave Management, Payroll, Stat, Declarations, Applicant Tracking System, Emp Loan Advances, Employee Asset Management

Easy to use Masters

Seamless Migration

Dedicated Service Personnel

## Client Feedback:

247HRM Software is really nice and helpful to us on HR Functions. It is easy to understand the platform. Moreover, the migration from old to new software was seamless. The assigned Service Personnel made us so comfortable during the entire implementation of software and on boarding of our employees to new UI.

## Benefits:

1

### Streamlined HR Operations:

A comprehensive solution for various HR operations such as attendance management, leave management and payroll processing

2

### Enhanced Employee Management:

The services include an Applicant Tracking System (ATS), Employee Asset Management, and Geo-tagged Attendance options, which help in better management of employees

3

### Increased Productivity

increased productivity and overall business performance for Fortune Toyota.
